The District of the country of the c

DAT 1012 18, 1000.

of dollars, to break down the bridge. Through can how well afford to show her best in the westward progress of the line observibing liberally to its stock. The Laind bridge has alone been worm tendered its acceptable of the commerce of Chuzago, the we doubt whether our business menhad a dollar invested in its is cost to the commerce of Chuzago, the we doubt whether our business menhad a dollar invested in its is sone of the Iowa land grant coads, as something like half a million of the best is upon the continent. They could all carry be sold within a year from the complet of the road for four dollars per acras field: the Company at least two millions of are. As the road can be built for \$15,000 mile, the lapth alone will pay two-thirds are controlled to the last two handred miles of the sand for four dollars per acras field.

It is the bysiness of the statistician and the insert to show what amount of business read its out command, but let any man post as cost of the last two handred miles of the continent from the Wost and Southwest of its terminut. The figure not at our command, but let any man post as cost of the last two handred miles of the statistician and the insert to show what amount of business fraid mild command. If the magnificent country west rad seeking gold in the Rocky Mountains, my year, and withat let him study the ourse of of the magnificent country tough which this road passes, and research the string of the last will be one of the beat pring how cheaply it can be built, he can be found to the firm regard to the limmense emigra.

Such is Douglas Democracy at the Spottle Tought which this road passes, and research the string gold in the Acrosing to control of the magnificent country tough which this road passes, and research the string post the acrossing the continent and miles of the last will be one of the beat are string to the Continual to the firm of the last will be one of the beat are post to capital the ownership of the laborar very local than the last will be one of the beat are post

on the other side, and therefore it becomes
Republicans to work with the same and for
Lincola and Hamilu as though there was no
third party in the field. In the Southern
States the Bell-Everett organs are nursing
the Boughasites with great indos ry, magnifying their meetings and multiplying ther numbers everywhers. We propose to adopt no
such role in Illinois, as regards the Brackinridge faction.

Parse and Tairous.

Surfay Courty.—The Republicans of Shelby will meet on the 20th ult, and organized a Republican Club, with the following officers:—D. D. Sysus, President; L. D. Martin, F. Bebymer, C. W. Campbell, Vice-Presidents; John Beauchamp, Recording Secretary; J. Newton,

IOMAS GEORGE Dead Shot for Bed Bugs .- The CPIES & BURT much longer when worn on the feet than when laid aside in a dry situation, but whether this decay is caused by the gream used by the ctrars, or in some peculiarity in the skin, is not known at present.

Cowe-kin and kip leather do not seem to be subject to this rapid deterioration, but all kinds of calf-skin, even the vary best French, is just as subject to it as the poorest qualities.

This is a subject deserving of practical seign-hing fly Killer. Money aub Grehange L. L. DUTCHER & SON., St. Alban, Vi., Propri d Tin Ware at Who MONEY TO LOAN ON REAL JAPANNED WARE Heath and Pure Blood are In domaind, would recessarily decrease the price.

As long as our farmers must depend on other

countries for a market fer their surplus products, they must expect to find no sale for half

what they might raise, and a precarious remuneration for severything they sell. And just as

long as the counsels of slave owners predominate in the administration of our government,
we shall have nothing better than a fluctuating
European market. Slaves can never be conserted into skillful mechanics; and hangue the

South will not adopt the free labor system and

manufacture for herself, the is not willing to

give the North a chance. Never before in the Plunge, and Shower Baths ! TORUM UTBNSILE Thomas George. GOOD IMPROVED PARMS In this State. AKE-ST. - COR. PRANELL CE PITCHERS. MONEY LOANED PIRST-CLASS & CURITIES, Water Coolers, The companies of the base of the present discrimination in favor with the process of which farmers justly complaints and policy weeks in other words, the difference between the price of clean wheat and foul does not stimulate the grower to be very careful in Laming and progress in the process of which farmers justly complaints and policy wheat; in other words, the difference between the price of clean wheat and foul does not stimulate the grower to be very careful in Laming and the process among buyers is caused by the fact that they buy for export, and mix first and second qualities together in the holds of their rescens. Bring into operations the underscloped water and steam power of this region; dot the country over with cotton and woolen factories, with furnaces, foundries, and grist mills,—and up to the exported in the above to the pays to she with country over with cotton and woolen factories, with furnaces, foundries, and grist mills,—and up to the exported in the above to the pays to she with country over with cotton and woolen factories, with furnaces, foundries, and grist mills,—and up to the exported in the above to the country over with cotton and woolen factories, but the pays to she with country over with cotton and woolen factories, with furnaces, foundries, and grist mills,—and up to the exported in the above to the country over with cotton and woolen factories, with furnaces, foundries, and grist mills,—and the pays to she with country over with cotton and woolen factories, with furnaces, foundries, and grist mills,—and the pays to she with cotton and woolen factories, the pays to she with cotton and woolen factories, and the pays to she with cotton and woolen factories, the pays to she with cotton and woolen factories, the pays to she with cotton and woolen factories, the pays to she with cotton and woolen factories, the pays to she with cotton and woolen factories, the pays to she with the arrogance of slavery assume such fearful pro-portions, as since the repeal of the tariff of 1863. And we asser, without qualification, that by an possibility bould it have grown to such proportions but for that repeal. Wassers, June 20, F06.

To which the Queen replies as follows:

Bucksonan Palace, June 22, 1900.

My Goop France: I have been much gratified at the feelings which prompted you to write to me, inviting the Praice of Wales to visit Washington. He intends to return from Ganadathrough the United Sistes, and it will afford him great pleasure to have an opportunity of testifying to you in person that those feeling testifying to you in person that those feeling the state of the present the state of the present that the state of the present that the proportunity of testifying to you in person that those feeling the present that th through the United Niere, an appartunity of him great pleasure to have an opportunity of testifying to you in person that those feelings are fully reciprocated by him. He will thus be able at the same time to mark the respect be entertains for the Chief Magnetrate of a great and friendly State and kindred Nation.

The Prince of Wales will drop all Royal state on leaving my dominions, and travel under the name of Lord Reaffree, as he has done when travelling on the Continent of Europa. From Washington.
